PROPOSED COMMERCIAL DEVELOPMENT
2707 SOLANDT ROAD
OTTAWA, ONTARIO**

As requested, we have reviewed the Grading Plan in relation to the recommendations provided in Golder Associates geotechnical report for the proposed commercial development at 2707 Solandt Road. More specifically, Golder Associates reviewed the following Grading and Erosion Sediment Control Plan prepared by Novatech Engineering Consultants Ltd.

- Grading and Erosion Sediment Control Plan, Project Number 119110-00, Drawing No. 119110-GR, Revision dated October 9, 2019.

Based on the review of the above, grading plan was found to be in accordance with Golder's geotechnical report for this site and the design grade raises are within acceptable limits for this site.

We trust that this memo provides sufficient information for your present requirements. If you have any questions concerning this memo, please don't hesitate to contact us.

Yours truly,

Golder Associates Ltd.
