**SUBJECT: 2830 CARLING AVE./810 VICK AVE.
SITE PLAN
OUR PROJECT NO. 2020-543**

Dear Sir:

We have designed the site lighting for the new development, located at 2830 Carling Ave./810 Vick Ave., in accordance with the following guidelines as requested by the City of Ottawa:

1. It must be designed using only fixtures that meet the criteria for Full Cut-Off (Sharp cut-off) Classification, as recognized by the Illuminating Engineering Society of North America (IESNA or IES), and;
2. It must result in minimal light spillage onto adjacent properties. As a guideline, 0.5 fc is normally the maximum allowable spillage.

Yours very truly,

GOODKEY, WEEDMARK & ASSOCIATES LIMITED
