the Architet immediately before proceeding with any work. Written dimensions shall have precedence over scaled dimensions.

Any discrepancies which the Builder discovers within the contract documents themselves or between the contrat documents & site conditions, are to be discussed with the Architet immediately before proceeding with any work

BUILDER'S RESPONSIBILITY TO LAYOUT WORK It is the Builder's responsibility to lay out and carry out the work as detailed in the contract documents. It is therefore necessary for the builder to pay very close attention to actual site dimensions, geometries and conditions which may vary from those **assumed** on the drawing.
