LIMITS OF LAMARCHE AVENUE, BLOCKS 147 TO 150 AND ADJACENT SOUTHERLY BLOCKS ARE CREATED FROM A CAD FILE FROM J.D. BARNES, OLS AND MAY BE SUBJECT TO CHANGE.

Bearings are grid bearings and are referred to the Central Meridian of MTM Zone 9 (78°37' West Longitude) NAD-83 (English).

**ELEVATION NOTES**  
 1. Elevations shown are geoidals and are referred to the CGVD28 geoidals datum.  
 2. It is the responsibility of the user of this information to verify that the job benchmark has not been altered or disturbed and that its relative elevation and description agrees with the information shown on this drawing.

**UTILITY NOTES**  
 1. This drawing cannot be accepted as acknowledging all of the utilities and it will be the responsibility of the user to contact the respective utility authorities for confirmation.  
 2. Only visible surface utilities were located.  
 3. A field location of underground plant by the pertinent utility authority is mandatory before any work involving breaking ground, probing, excavating etc.
