Subject: **Geotechnical Review of Previously Completed Report**  
765 Green Creek Drive, Ottawa, ON

LRL Associates Ltd. (LRL) was retained by Rickson Outhet Architect on behalf of Smart Local 47 Training Center to carry out a review on the previously completed Geotechnical report for the above-mentioned address, generated by LRL, dated April 2008.

The purpose of this review was to determine if the geotechnical design parameters are still relevant for the proposed building addition and additional parking and access lanes planned for this site.

**After a thorough review of the geotechnical report previously mentioned, and the “New Site Plan” drawing provided to LRL, it can be concluded the contents of the geotechnical report are still applicable for the proposed building addition and additional parking/access lanes.**

For any questions or concerns pertaining to this memo, please do not hesitate to contact to undersigned.

Yours truly,  
LRL Associates Ltd.

A handwritten signature in blue ink, appearing to read "B. Johnson", is written over a faint circular stamp.
