RE: Site Plan Control Application – 135 Cardevco Road
File No.: D07-12-22-0173
V&R Project No. 21-103

With respect to the project and site plan control application mentioned above, we would like to state that:

1. The site lighting has been designed with sharp cut-off fixtures where required such that light spillage on adjoining properties does not exceed the maximum of 0.5 fc.

If you should require any further information or clarification, please do not hesitate to contact this office.
