This architectural elevation drawing shows a section of a building facade with various structural and material annotations. The facade consists of several bays separated by dark vertical elements. The main wall is light gray, while the window frames and some vertical dividers are dark gray. Windows are filled with a light blue color. Annotations include:

- EXTERIOR LIGHTING FIXTURE**: Two locations are indicated with leader lines pointing to small square fixtures on the upper part of the facade.
- CANOPY**: A small, dark, rectangular structure is shown on the right side of the facade.
- Structural Levels**: On the right side, a vertical dimension line indicates the following levels:
  - 112.12 T/O Parapet
  - 110.68 T/O Roof
  - 110.48 Low Point of Roof
  - 109.57 U/S of Truss
  - 105.30 Ground Floor
- Dimensions**: A vertical dimension line on the right shows a total height of 4287 from the ground floor to the top of the truss. A smaller vertical dimension of 914 is shown between the roof level and the truss level. A horizontal dimension of 1440 is shown at the top right.
- Material Callouts**: Various callouts (M1, M2, M3, M4, M5, M6) are placed throughout the drawing to identify different materials or components.
