Other applicable relevant Provision(s)			
Exception 2156	Provisions detailed in Section E. Comments/Calculations	See section E. Comments/Calculations	Y

¹ This template represents a small selection of applicable provisions. Please consider the lot's geography (i.e. corner/through lot, proximity to water, inside/outside Greenbelt) and proposed land use (i.e. drive through operation, outdoor commercial patio, Planned Unit Development, long semi) and consult the by-law to determine which other sections of the By-law must be met. This can be attached in a separate document.

² Note that different performance standards apply to low-rise residential development inside the Greenbelt. Please reference Section 144 for these standards, where applicable.

* Inclusive of shared parking reduction provision for commercial/visitor

³ This includes maximum building height, minimum building height and setback provisions, where they exist

E. Comments / Calculations

Exception 2156:

- In addition to any other requirements for landscaping, a minimum 4 m wide landscaped area must be provided along any lot line abutting a residential zone and abutting Mer Bleue Road and Brian Coburn Boulevard.

- All buildings on the lot must have commercial space on the ground floor.

- Driveways providing access to the lot, may be located within the landscaped area described in above.

- For all buildings on the lot where a wall faces a public street it must have a minimum of 50% clear glazing at the first floor level.

- Building is to be setback no further than 14m from both Mer Bleue Road and Brian Coburn Boulevard.

Building faces along Mer Bleue Road and Brian Coburn Boulevard are either a minimum of 5 m in height, or contains a parapet a minimum height of 5 m measured from grade

Compliant:

The is a 4m landscape buffer is depicted on the Site Plan.

Commercial is located on the main floor

We have met the 50% glazing with the main floor residential units windows facing Brian Coburn have been enlarged and the commercial units are predominantly windows.

The building is set back 7.56m on Mer Bleue from the property line and 10.13m on Brian Coburn from the property line.

The building is 17.95m in height.
