

Zoning Confirmation Report

8201 Campeau Drive, Ottawa

July 22, 2025

1

Introduction

Fotenn was retained by 8201 Campeau Drive Inc. to prepare a Zoning Confirmation Report pertaining to the establishment of a mid-rise, mixed use development proposal in the Kanata Lakes neighbourhood of the City of Ottawa.

The proposed six-storey development incorporates a commercial tenancy which addresses Campeau Drive with substantial glazing as well as 323 dwelling units in a variety of typologies. The development is supported by an array of amenity opportunities in both communal and private formats, which exceed the minimum required. A parkland dedication of 15% of the overall development area is being proposed to the east of the building. Underground parking is proposed for the tenants, with a small proportion of surface parking located behind the building for visitor spaces and convenience pick up/drop off.

The proposed building would be accessed by vehicles using the shared access driveway to the west of the lands, referred to here as "Taggart Road". It is proposed to bring this driveway to municipal right-of-way standards as part of this application to accommodate the possibility of opening this driveway as a municipal roadway in the future.

The commercial and residential uses at-grade are intended to provide an active public realm and are supported by tree planting and landscaping. The building is articulated by the use of punch-balconies and a diversity in materiality which provides visual relief. The building provides a strong, uninterrupted frontage along Campeau Drive. All "back of house" elements are screened behind the building. Further discussion of the design elements and treatment are provided within the enclosed Urban Design Brief, prepared by Arcadis.

The following tables serve to demonstrate that the proposed development is zoning compliant and that no additional relief is required to proceed with the site plan in its current format.

Annex 1 - Zoning Confirmation Report Checklist

A. Project Information			
Review Date	July 14, 2025	Official Plan Designation	Minor Corridor/Suburban (West) Transect – Evolving Overlay
Municipal Address(es)	8201 Campeau Drive	Legal Description	Block 1 Registered Plan 4M-1540, City of Ottawa
Scope of Work	Site Plan Control		
Existing Zoning Code	MC22[74] H(34)	By-law Number	2008-250
Schedule 1 / 1A Area	Area C / C	Overlays Applicable	N/A

B. Zoning Review

For Zoning By-law Amendments, please use the proposed zone and subzone requirements, if different than existing.
