

FLANKAGE ELEVATION "A" | CLEAN TRADITIONAL

FLANKAGE ELEVATION "B" | CLEAN TRADITIONAL

**RESPONSE**

Corner and flankage lots will have enhanced side elevations with side gable roof articulation, enlarged windows, and upgraded materiality (vinyl sliding and/or brick - depending on the architectural style). Please see pages 7 & 8 of the *Mer Bleue Lands - Urban Design Brief (January 2021)* for Built Form Diagram showcasing corner/flankage unit locations.
